## **Two Year Old and Early Years Funding**

### **Two Year Old Funding**

From September 2013, the government started funding 15 hours a week, for 38 weeks of the year, free nursery education for two year olds who meet the Free School Meals criteria, from the term after their 2<sup>nd</sup> birthday.

If you are eligible you should receive an entitlement voucher in the post, however if you feel that you may be eligible but have not seen a voucher you will need to visit your local children's centre who will then check to see if you are eligible by entering your National Insurance number, parent's date of birth and surname. If you meet the criteria they will issue you with a card that you will need to bring along to the nursery along with your child's birth certificate and proof of address.

We have several different sessions available term time and all year round.

### **Early Years Funding**

All children are entitled to Early Years Funding from Croydon Council from the term after their 3<sup>rd</sup> birthday.

A child turns 3 between January and March entitled to funding from April.

A child turns 3 between April and August entitled to funding from September.

A child turns 3 between September and December entitled to funding from January.

The government will fund up to 15 hours a week, for 38 weeks of the year free nursery education which is paid directly to the nursery. Your child has to attend on two separate days a week in order to claim the full 15 hours.

We offer a stretched Early Years Funding option for children that attend the nursery all year round. The entitlement is stretched over 51 weeks of the year and is equivalent to 11 hours of free nursery education all year round.

In order for the nursery to claim this funding you will need to provide a copy of your child's birth certificate and complete a declaration stating where you are claiming the free entitlement.

Your child may attend for just their 15 hours a week free early years funding (term time only) if you wish.

**Fees for two year old funded or early years funded children whom attend all year (funding amount already deducted) fees are payable 51 weeks of the year:**

These fees are based on the current level of early years funding and should the government withdraw the level of funding that we receive – we withhold the right to adjust fees accordingly.

**30 hours funding for 3 and 4 year olds**

The government is offering working parents of 3 and 4 year olds 30 hours free nursery education. Parents need to apply for the funding online at HMRC/Childcare choices. If your application is successful then you will be given a reference number which needs to be given to the nursery.

In order to receive the funding the code needs to be given to nursery the term before funding begins and will be subject to eligibility checking via Croydon Early Years.

September to December – code needs to be given to the nursery by the middle of August  
January to March – code needs to be given to the nursery by the middle of November

April to July – code needs to be given to the nursery by the middle of March

If you are entitled to 30 hours funding and have provided a valid reference number we are prepared to accept the hours in the following ways:

### **The lawful basis on which we use this information**

All children will continue to be funded if the setting is graded 'Outstanding' or 'Good'.

If the setting is graded 'Requires Improvement' then Croydon Council reserves the right to cease 2 year old funding at the setting but will continue to fund your child as long as you choose to stay.

If the setting is graded 'Inadequate' then we will continue to fund your child there as long as you choose to stay but the setting will not be able to offer funding to new children.
